

TRUE TO THE BLUE..

Norco Football Parents,

The NHS Gridiron Club (Norco Football Boosters) is hosting our first Monte Carlo Night with a Silent Auction and Raffle Prizes to raise funds for the coming year. The event will be held on Saturday September 11, 2010. Due to extreme cutbacks the school district does not provide all the funds that a program like ours requires. The cost of running a program of this caliber requires the support of generous individuals, businesses and parents like **you**.

The Silent Auction and Raffle Committee would like to challenge our families to donate a themed basket or box for this event. Get together with other parents or families to put together a basket of items that are unique and eye catching. Some ideas have been provided on the next page. It does not have to be big or tall or even in a basket. Please include a list of items being donated with a retail value. There will be awards given for the most creative as well as the basket which goes for the highest bid! Start thinking and get creative! **Complete section below to submit your theme.**

Please submit your donation no later than August 28th. An auction committee member would be happy to pick up your donated items at your convenience, or if you prefer, mail or deliver the address below. We can also accept the items at the Blue and White game.

We will also be calling on local businesses, professionals and parents to donate items for the silent auction and raffle. If you know of someone that you would like us to contact for a donation just provide us with the contact information. This economy requires some creative thinking to raise money so think outside the normal auction items, someone has already donated their Lake Havasu home for a weekend! Several years ago I bid on Lasik surgery that a doctor had donated, what about teeth whitening from your dentist?

Act now! Help the Gridiron Club make this a successful event that will become a Norco tradition every year.

Thank you for your support of **Norco High Football!**
Your Big VIII League Champion Football Team.
